CHICAGO – The Illinois Department of Transportation (IDOT) announced that daily lane closures will be necessary on Illinois 83 from Old Petite Lake Road to north of Grand Avenue (Illinois 132), in Lake Villa, beginning, weather permitting, Monday, August 15.

The scope of the project consists of resurfacing the roadway and pedestrian ramp improvements. It is expected to be completed in Fall 2016.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
